Resort Activity Day Product: Maximise Your School's Time in Thredbo!

The options below are aimed at School Groups visiting for 1day, offering activities outside of the Thredbo Skiing/Snowboarding program. Schools already booked in our on-snow programs can add-on resort activities!

Resort Activities	Gondola Scenic Lift, Alpine Coaster Rides, Leisure Centre, Lunch, Clothing or Disc Golf Rental
Teacher Free of Charge	**School groups receive 2 teachers free of charge (FOC) for every 10 paying students** • FOC allocation not valid for lunch and disc golf
Group Sizes	Operationally, schools may need to split into smaller groups to efficiently progress through activities
Activity Times	Allocated times need to be adhered to, with access delayed if times are missed

Resort Activity Groups: when visiting Thredbo for sightseeing or on a resort activity day, ski runs are designated for active Snowsports use only (skiing or snowboarding). Entry onto ski or snowboard runs by individuals not participating in Snowsports creates a significant safety risk, as these areas involve high-speed travel and may include participants with limited ability to avoid obstacles. For your safety and the safety of others, non-skiing/snowboarding guests must remain clear of all marked ski runs. Resort staff may request individuals to relocate if they are found in breach of this condition.
